

Animal Welfare Course B2

Training course for registered persons performing animal experiments and for study directors

Husbandry, Culture and Health of Fish, Avoidance of Diseases

Thursday, October 28, 2021

Course Focus:

Supply, Husbandry, Culture and Health of Fish: According to the requirements of animal welfare based on „Zebrafish: Housing and Care“

Health of Fish: Assess clinical signs yourself! Clinical signs according to OECD 203 (2019) with videos of trout, carp and medaka.

Diseases: Avoidance of diseases and common diseases with symptoms

Water Quality Requirements and Loadings (Besatzdichte)

Handling of Fish: Measurement of weight and length, marking techniques and sacrificing of fish according to the requirements of animal welfare

Zebrafish Behaviour and Ecology: Zebrafish Behaviour in Nature

Duration, Purpose and Language of Course:

The course will take place as Video-course using Zoom from 0800 to 1700h. It will be regarded as a one-day further education course by the Swiss authorities or as part of the basic course for persons performing experiments with fish in the context of MODUL 20 ECOTOX corresponding to FELASA-B (MODUL 20 ECOTOX as basic course consists of a total of six courses A, B1, B2, B3, D2 and P: theoretical and practical education of at least 40 hours). The course is adapted to registered persons performing animal experiments as well as for study directors. The course language is English or German depending on the audience.

Organisational Information:

Lead & Instructor: Dr. Hans Rufli, **ecotoxsolutions**, Basel

Registration: rufli@ecotoxsolutions.com

Costs: Fr.700.- including pdf-files of the presentations sent ca. 1 week prior to the course.

Your Video Equipment: “Zoom” should be installed on your Laptop/PC (<https://zoom.us/download> = English). Microphone and camera should be available as well. At 12h on the days of the course, an invitation link will be sent to your desired email-address previously announced to me. By clicking this link, you will be in the meeting.

Certificate: A written certificate will be handed out as soon as you returned your feedback on the course. This certificate will have to be shown to the Swiss authorities on request.
